FOR THE MOST MONSTROUS JOBS SINCE TIME BEGAN

With Monster Strength *Jurasstic Glue* bonds to most materials including Wood, Stone, Ceramic, Metal, Concrete, Polystyrene, Glass, Rigid Plastics, Brick, almost anything.

It is sandable, stainable and paintable and is unaffected by extreme hot and cold weather. Its resistance to rain, snow and sea water makes it ideal for both indoor and outdoor use. Previously only available for industrial use *Jurasstic Glue* is now offered in attractive retail packaging with eye catching merchandiser / dispenser to maximise awareness and sales to professionals, tradesmen, DIY enthusiasts, hobbyists and householders.

FOR THE MOST MONSTROUS JOBS SINCE TIME BEGAN

The ultimate repair tape for the home, motoring, caravanning, camping and boating. Inside and outdoors

Attractively shrink wrapped with the same eye catching dispensers as Jurasstic Glue.

8 Rolls x 25metre

12 Rolls x 10metre

**6 Rolls x 10metre
+ 4 Rolls 25metre**

The Jurasstic multi-option Dispensers are used for both Jurasstic Glue and Jurasstic Tape, a combination of both products can be supplied in the same Dispenser.

The UV reflective finish protects from rain, snow and sun.

The double thickness adhesive enables it to stick to rough surfaces. The toughness of the tape increases durability.
